Theme Booklists—Grade 5

Each theme in *Pathways* has activities tied to books that are not the theme book. One copy of the title is needed to teach the activity. If teachers choose not to use these books, they should choose books that deal with similar themes. The session number indicates where the book is first used.

Schools desiring to begin adding titles to the library will want to choose from this booklist. Each title was available when the theme *Daily Lesson Guide* was published. If you cannot locate a title it may be found on an out-of-print website, such as Alibris (www.alibris.com)
