

TDEC Announces...

JANUARY 2010

NORTH AMERICAN DIVISION TDEC

*If we are
educating for the
21st century
...integration of
technology is a
MUST!*

Webinar Schedule for 2009 - 2010

TDEC is committed to finding exciting and useful webinars for our Seventh-day Adventist educators wanting to integrate technology into the curriculum. The webinars for this school year are listed here.

To register for the webinars, visit www.nadtdec.org. Most of these will be recorded and will be found on the NAD website for review.

Technology integration is the use of technology resources -- computers, digital cameras, CD-ROMs, software applications, the Internet, etc. -- in daily classroom practices, and in the management of a school. Technology integration is achieved when the use of technology is routine and transparent. *Technology integration is achieved when a child or a teacher doesn't stop to think that he or she is using a computer or researching via the*
